CYCLE RACKS SPECIFICATION DATA

HIGH & LOW CYCLE RACK

SKU: 101.1114

Description

The High and Low Cycle Stand is a space-saving, practical solution to secure 5 bikes in schools, workplaces, and public spaces. Its staggered design maximises capacity while preventing handlebar clashes, making it ideal for high-density environments. Manufactured from galvanised steel for durability and corrosion resistance, it offers long-term performance with minimal maintenance. Perfect for specifiers seeking cost-effective, compliant cycle infrastructure.
