CAST IRON BOLLARDS SPECIFICATION DATA

LEEDS BOLLARD

SKU: 501.0302

Description

The Leeds Cast Iron Bollard by BSFG delivers timeless elegance and robust performance, crafted from solid cast iron for superior strength and durability. It features a traditional domed top and decorative collar detail, ideal for heritage streetscapes and civic spaces. Available root-fixed or removable, with optional reflective banding and powder-coated finishes in black or any RAL colour, Leeds combines classic design with modern specification flexibility.
