

TERÄS LO BO LOUNGE TABLE

SKU: 301.1287

Description

The TERÄS Lounge Set is a contemporary outdoor lounge ensemble designed by Danish studio VE2, featuring a powder-coated, hot-dip galvanised steel frame paired with powder-coated aluminium seating and tabletop surfaces. It delivers a Nordic, summer-house aesthetic ideal for cafés, hotel terraces, communal courtyards and public-realm relaxation zones. Durable, weather-resistant and easy to maintain, the set includes a low-height lounge chair and lounge table that can be purchased individually or as a coordinated arrangement. As part of the BSFG portfolio and manufactured by sister company HITSA, TERÄS provides long-life, colour-rich outdoor furniture for urban environments.
