CALERO SEATING

SKU: 301.0110

Description

The Calero Bench is a sustainable seating solution crafted from 100% recycled plastic, offering durability and eco-friendly design for modern outdoor spaces. Its robust construction ensures resistance to weather, corrosion, and vandalism, making it ideal for parks, schools, and urban landscapes. Available in multiple colour options, Calero combines strength, sustainability, and low maintenance for long-lasting performance.
