

YARD BOLLARD

SKU: 501.1439

Description

The Titan Service Yard Steel Bollard is a heavy-duty bollard designed to protect people, buildings and infrastructure in high-risk environments such as service yards, loading bays and car parks. Manufactured from steel and finished for durability and visibility, it provides reliable impact resistance in areas exposed to frequent vehicle movements. Its simple, robust design makes it one of the most effective bollards for industrial and commercial sites.
