SKU: 301.0154

Description

The IDEAS Collection brings together the different contemporary designs that combine warm timber slats with robust corten or powder-coated steel frames for exceptional durability and style. Engineered for UK public realm projects, these benches offer flexible configurations, rapid installation and long-term performance in streetscapes, parks and transport hubs. With coordinated aesthetics and premium materials, the IDEAS range delivers specification-ready solutions for architects, contractors and local authorities seeking best-in-class street furniture.
