AUSTEN PLANTER

SKU: 304.0337

Description

The Austen Planter is a modular trapezoidal planting unit crafted from ultra-high-performance concrete (UHPC), designed to complement the Austen seating collection. With a recessed base, it can be freestanding or anchored using threaded bars, and supports dynamic compositions in streetscapes and plazas. Finished in ALFA colour or standard concrete tones, it's ideal for modern urban landscaping and specification-driven public realm projects.
