

BIKE REPAIR STATION

SKU: 109.0058

CYCLE REPAIR & MAINTENANCE SPECIFICATION DATA

Description

The Bike Repair Station provides a practical, all-in-one solution for on-the-go cycle maintenance in public spaces. Equipped with essential tools and a robust steel frame, it allows cyclists to perform quick repairs and adjustments safely and conveniently. Ideal for transport hubs, schools, workplaces, and urban regeneration projects, this station promotes sustainable travel and user confidence.
