

BOTTE LITTER BIN

SKU: 302.1134

Description

The Botte litter bin by Metalco is a premium High Performance Concrete (HPC) waste solution, specified through BSFG for high-quality public realm schemes across the UK. Its solid concrete body delivers exceptional durability, vandal resistance and longevity, complemented by a lockable stainless steel lid with central opening for intuitive use. Designed for modern streetscapes, parks, campuses and transport environments, Botte balances architectural elegance with day-to-day operational efficiency. A considered choice for specifiers seeking long-life value and visual coherence.
