

COSI BO TABLE

SKU: 301.1273

Description

COSI BO is a robust, design-led outdoor table in corten steel that brings clean, architectural lines and long service life to parks, campuses and civic spaces. Hot items can be placed directly on the corten tabletop, making it ideal for communal dining and high-footfall public use. The table sits within the wider COSI family—designed by Cobe Arkitekter in 2022—with coordinated benches and park benches to create cohesive public-realm layouts. Supplied in the UK by BSFG and manufactured by sister company HITSA, COSI BO is available as a freestanding, surface-fixed or in-ground solution to suit site conditions.
