

SWING WALL MOUNTED CYCLE BSFG

SKU: 108.0045

Description

The Swing Wall-Mounted Bike Stand offers a compact, space-saving solution for secure cycle storage in indoor or outdoor environments. Its innovative pivoting design allows bikes to be stored flat against the wall, maximising floor space without compromising accessibility. Manufactured from durable steel with optional powder-coated finishes, this stand is ideal for schools, workplaces, and residential developments.
