SKU: 301.0113

## Description

The CANN Concrete Bench is a monolithic, cantilevered seating element crafted from PDM (reconstituted stone), designed to deliver both sculptural presence and functional durability in urban landscapes. Its seamless, solid form includes a recessed base, simplifying cleaning and maintenance while enhancing the bench's suspended visual lightness. Suitable for modern public spaces, squares and architectural environments, CANN offers long-lasting performance with a contemporary minimalist aesthetic. Designed by Massimo Tasca for Metalco, it blends refined industrial design with urban practicality.
