

# TORINO BOLLARD

SKU: 501.0164

## Description

The Torino Cast Iron Bollard by BSFG brings refined European design to UK public realm projects, combining a slender stele profile with the natural strength and weight of solid cast iron for elegant placemaking and dependable demarcation. Supplied powder-coated in standard black or any RAL colour, Torino can be root-fixed with hot-dip galvanised embedded parts and specified as removable with an Ø8 mm key for flexible access control. Ideal for marking pedestrian routes, lining park pathways or accenting façades, Torino delivers timeless aesthetics with long life performance. Original design concept and key specifications derived from HITSA's Torino cast-iron bollard datasheet and product page.

## Standard Dimensions

Height (mm)

855

Diameter (mm)

150

**Above Ground Height**

855 mm

**Below Ground Height**

550 mm
