

CICA CIGARETTE BIN

SKU: 302.1132

Description

The **CICA Cigarette Bin** by **Metalco** is a durable rectangular outdoor ashtray constructed from **stainless steel**, designed for long-term performance in public environments. It features a **removable container** with an **upper extinguishing plate** fitted with a **fireproof mesh** for safe use. A strong **tubular-steel supporting structure** integrates a **lockable door**, ensuring secure servicing and reliable operation. Its **rainproof cover** and **reinforced base** make CICA ideal for exterior installation in public spaces.
