

GENOVA BIN

SKU: 302.1222

Description

The Genova litter bin by City Design is a contemporary, modular waste solution designed for modern public realm environments and supplied in the UK through BSFG. Manufactured from galvanised steel with a durable powder-coated finish, it offers excellent resistance to weathering and daily use. A swing-lid waste aperture and integrated bag holder support clean disposal and efficient maintenance. Genova is well suited to parks, town centres, campuses and large public spaces requiring flexible waste management.

Standard Dimensions

Length x Width x Height (mm)
488 x 300 x 984
