

STAINLESS STEEL BOLLARDS

SKU: 501.2 SS BOLLARDS

Description

BSFG stainless steel bollards deliver a premium combination of durability, corrosion resistance and contemporary design for public-realm and commercial environments. Manufactured in Grades **304** and **316**, these bollards are suitable for everything from town centres and transport hubs to industrial and coastal locations. Their clean aesthetic allows designers to co-ordinate bollards seamlessly with other BSFG stainless steel street furniture. Available in a wide range of diameters, finishes and fixing methods, BSFG stainless steel bollards support both standard and bespoke project requirements.
