

PLATEAU CITY CHAIR

SKU: 301.1321

Plateau City Chair

Description

The Plateau City Chair is a compact, contemporary outdoor chair designed for flexible use in public-realm environments. With its clean, minimal form and ability to operate as a standalone seat or part of larger seating arrangements, it supports informal social interaction in urban spaces. Manufactured from durable, low-maintenance materials, the Plateau City Chair is ideal for streets, campuses, plazas and landscaped public areas.
