

CADO CORPUS SEATING

SKU: 301.0108

Description

The Cado[®] Corpus bench combines award-winning design with robust modularity, featuring elegant FSC-certified hardwood slats draped over steel supports. Available in 1.55⁰ m and 3⁰ m lengths, with options for no back, partial backrest (left, right or both), or full back, it adapts effortlessly to diverse urban schemes. Its laser-cut, galvanized and powder-coated steel frame ensures durability, while mandatory ground-fixation protects against vandalism. Ideal for civic plazas, campuses and high-traffic public spaces.
