

COSI BENCH

SKU: 301.1276

Description

The COSI Benches are a contemporary family of outdoor benches defined by clean, architectural lines in corten steel and mahogany, designed by Cobe Arkitekter for robust, low-maintenance performance in public spaces. The range includes free-standing benches in 2000 and 3000 mm, a 2/3-back variant for mixed seating postures, a full park bench with back, wall-mounted benches and benches configured for concrete bases. The rust-red corten surfaces develop a protective patina and the square timber slats are rounded at touch points for comfort, combining durability with a warm, tactile finish. Supplied in the UK by BSFG and manufactured by sister company HITSA, COSI benches install by placement, bolt-down or in-ground fixing to suit site conditions.
