

# HERON SHELTER

SKU: 107.0066

## Description

The Heron Shelter is a sleek and durable outdoor structure designed to provide reliable weather protection for cycle parking and waiting areas. Its contemporary design enhances the aesthetics of public spaces while offering practical functionality for schools, parks, and transport hubs. Manufactured from heavy-duty steel with a corrosion-resistant powder-coated finish and UV-stable polycarbonate or PET roofing, it ensures long-lasting performance in all weather conditions. Ideal for architects, specifiers, and contractors seeking stylish and sustainable shelter solutions.

### Standard Dimensions
