

PAPILLON L BARRIER

SKU: 503.1257

Description

The Papillon Steel Barrier is a decorative and functional pedestrian perimeter solution, crafted from 50x30 mm rectangular tubular steel with distinctive crossed and curved central bars. Supplied in galvanised and thermoset polyester powder-coated finish for lasting corrosion resistance, it is available in two sizes (1 m and 2 m lengths). Pre-drilled for ground fixings or with spike extensions for in-ground installation, the Papillon barrier effortlessly fits into urban streetscapes to delineate traffic and pedestrian zones while adding a sculptural element to public space design.
