

SCOOTERPOD ISLAND

SKU: 101.0035

Description

The Scooterpod Island is a vibrant, space-efficient solution for secure scooter parking in schools, nurseries, and community spaces. Designed to store up to 20 scooters, it promotes active travel and keeps outdoor areas organised. Manufactured from tough, recycled plastic for durability and sustainability, it offers long-term performance with minimal maintenance. Ideal for educational and leisure projects seeking safe, eco-friendly scooter storage. **A Scooterpod Island is a composition of 2 linear scooterpods back to back, and 2 half scooterpod segments, please specify your colour options when ordering.**
