

STREET STAND

SKU: 101.1427

Description

The Street Stand is a high-security cycle stand designed to offer far greater protection than a traditional Sheffield stand, making it ideal for public spaces, transport hubs and urban environments. Manufactured from **BSFG's robust steel construction**, the Street Stand is available in galvanised or stainless steel (304 or 316) finishes, ensuring long-lasting durability in all weather conditions. Featuring two integrated locking loops and an angled steel insert to resist cutting, the stand is **Sold Secure Gold-rated**, delivering maximum bike-security performance. With a compact footprint and versatile installation options, it is a reliable solution for secure everyday cycle parking.
