

BINGHAM PLANTER

SKU: 304.0342

Description

The Bingham GRP planter is an elegant trough-style planter with gently curved ends and a refined aesthetic, ideal for enhancing large public squares, gardens, and streetscapes. Crafted from lightweight, weatherproof glass-reinforced plastic, it offers durability without compromising on elegance. Available in granite or stone-effect textures or any RAL colour with matt, satin or gloss finishes, it delivers versatile visual impact. Its generous proportions (1800 x 700 x 600 mm) make it a striking yet practical addition to urban landscapes.
