

# BOX LITTER BIN

SKU: 302.0255

## Description

The **BOX Litter Bin** is a robust rectangular steel waste container designed by Metalco and supplied in the UK through BSFG. Built from heavy-duty steel sheet with a symmetrical two-panel construction—one fixed and one hinged door—it delivers durability, clean lines and practical servicing for demanding public-realm environments. A snap-lock mechanism, integrated bag-holder ring and rain cover ensure secure, easy and hygienic waste collection in parks, squares and high-footfall areas. Combining strength with refined urban styling, BOX offers a contemporary waste-management solution for landscape architects and estate managers.
