SKU: 301.1106

## Description

LUA brings sculptural elegance and proven durability to public realm seating, pairing laser-cut floral motifs with the warm patina of Corten steel or a single-colour powder-coated steel finish. Available as a single or double seat with linear or angled backrest options, LUA creates intimate moments or social clusters across plazas, campuses and streetscapes. Factory pre-drilled for anchor fixing, it installs quickly and delivers low-maintenance performance all year round. Designed by Marc Aurel for the Metalco Color Corten Style collection.
