

# SHEFFIELD BOLLARD

SKU: 501.0309

## Description

The Sheffield Cast Iron Bollard by BSFG combines classic heritage styling with superior strength, crafted from solid cast iron into a substantial 1,300 mm length and 230 mm diameter. Its elegant domed top and decorative collar enhance streetscape character, while optional reflective banding improves safety and visibility. Available root-fixed or removable with powder-coated finishes in black or any RAL colour, this robust bollard meets specification demands for durable, timeless urban infrastructure.
