

CASTEO BREAK SERIES

SKU: 301.1209

Description

Casteo Break is a modular outdoor table with integrated seats designed for high-use public spaces. Its galvanised, powder-coated steel frame supports a folded-steel perimeter with slats specified in steel tube, hardwood, thermo-treated pine or WPC to match durability and maintenance goals. Units can be used individually or ganged side-by-side for longer runs, and are supplied pre-drilled for secure ground fixing with threaded bars included. Stainless steel fixings and robust materials ensure long service life in parks, campuses, transit and mixed-use schemes.

Standard Dimensions

Length x Width x Height (mm)

- 1800 x 809 x 750
- 1800 x 625 x 801
- 1800 x 400 x 864
