

FUMA CIGARETTE BIN

SKU: 302.1135

Description

The Fuma cigarette butt bin by Metalco is a compact, design-led solution for managing smoking waste in contemporary public spaces, supplied in the UK through BSFG. Manufactured from stainless steel, it delivers excellent durability, corrosion resistance and long-term performance in outdoor environments. The cylindrical form incorporates an integrated stub plate and a lockable removable container for clean, efficient emptying. Fuma is ideal for entrances, transport hubs, campuses and public buildings where discreet, effective smoking waste control is required.
