

MULTIPLICITY CYCLE STAND

SKU: 101.0028

Description

The Multiplicity Cycle Stand is a sleek, design-led solution for secure bicycle parking in modern urban environments. Created by award-winning designer Yves Béhar, it combines sculptural aesthetics with robust functionality. Manufactured from cast aluminium with stainless steel locking points, it offers durability and elegance for public spaces, campuses, and commercial developments. Ideal for specifiers seeking premium cycle infrastructure that complements contemporary architecture.
