

INSPIRA PROTECT PLANTER

SKU: 304.1443

Description

The Inspira[®] Protect Planter is a reinforced, modular steel planter system designed to provide discreet **Hostile Vehicle Mitigation (HVM)** while maintaining a high-quality public-realm aesthetic. Tested to IWA[®] 14-1 standards, it offers proven impact resistance alongside integrated planting, making it suitable for sensitive urban locations requiring enhanced pedestrian protection.
