

DIVISION 100L LITTER BIN

SKU: 302.1221

Description

The Division litter bin by City Design is a sleek, specification-ready waste solution for modern public realm projects, supplied in the UK through BSFG. Manufactured from galvanised steel with a durable thermosetting polyester powder-coated finish, it is available in 60L and 100L capacities to suit varied footfall and maintenance regimes. An integrated lid, tilting liner with snap-lock mechanism and internal bag holder ring support clean use and efficient emptying. Optional stainless steel ashtray and custom waste-stream graphics make Division ideal for coordinated recycling and litter strategies.
