

RUBINO LITTER BIN

SKU: 302.1128

Description

The **RUBINO Litter Bin** by **Metalco** is a cylindrical urban waste bin manufactured from **PDM reconstituted stone**, featuring distinctive **horizontal grooves** and a **recessed base** to simplify cleaning around the unit. It includes a **painted steel lid with a central opening**, secured with a **snap-lock mechanism**, and an internal **bag-holder ring** for practical waste management. Designed by the renowned Berlin studio **Staubach Kuckertz**, RUBINO offers both durability and refined architectural presence for public environments.
