

TYPE 9 SECURE SEMI- SKU: 108.0559

Description

The tYPE 9 Semi-Vertical Cycle Storage Collection brings together premium, space-efficient and secure cycle-parking solutions engineered for high-density environments such as schools, campuses, residential developments, commercial estates and transport hubs. Designed to maximise available footprint while offering robust, long-life security, the range leverages hot-dip galvanised steel construction, tapered wheel-locating troughs and secure locking hoops to meet the expectations of specifiers, architects and contractors delivering modern active-travel infrastructure. By combining elegant modularity with inclusive compatibility for different bike types, the Semi-Vertical Collection provides a future-proof foundation for sustainable mobility and increased cycle uptake across the built environment.
