SKU: 107.1436

## Description

The Cyclepod Hangar System is a high-security, high-capacity solution for long-term bicycle storage in on-street, residential and communal environments. Supplied by BSFG as a modular system, Cyclepod Hangars provide protected, lockable storage for multiple bicycles within a compact footprint that fits efficiently into public-realm spaces. Designed for durability, adaptability and ease of use, the system supports both mechanical and electronic access options without changing the core structure. Cyclepod Hangar is ideal for dense urban settings, retrofit schemes and locations where internal cycle storage is not available.
