

MULTIPLICITY LITTER BIN

SKU: 302.0276

Description

The **Multiplicity Litter Bin** is a sleek, architecturally refined waste solution from **Landscape Forms**, designed to complement modern public-realm environments. Featuring cast aluminium and sculpted HDPE components, the unit delivers durability, corrosion resistance and a distinctive contemporary profile suitable for plazas, campuses, cultural venues and high-traffic pedestrian areas. A top-load opening, keyed access for maintenance and an integrated internal liner make servicing efficient and secure. Supplied to UK projects by BSFG, Multiplicity extends the design language of the award-winning Landscape Forms collection.
