

MP ROUND BENCH

SKU: 301.1271

Description

The MP Bench by HITSA is a circular, Nordic-designed seating system created for parks, plazas and contemporary public realms. Available in three generous diameters—Ø3200, Ø4000 and Ø6000—it offers a sculptural form that supports social interaction, play and relaxation. Its hot-dip galvanised steel frame and durable wedge-cut oak or mahogany slats deliver long-life performance with minimal maintenance. Optional backrest modules allow specifiers to shape comfort, aesthetics and seating direction to suit the wider landscape.
