

HEBA PLANTER

SKU: 304.0356

Description

The Heba planter in polyethylene is a UV-protected, recycled-plastic outdoor planter available in straight or curved modules, delivering modular flexibility and durability for urban landscaping. Constructed from medium-density polyethylene (MDPE) with a reinforced internal structure, it measures 2000mm x 500mm x 490mm for the straight version and 572mm x 530mm x 490mm for the 45° curved segment. Lightweight (approx. 29kg), weather-resistant, and available in a range of colours including white, grey, and sand (granite effect), Heba is ideal for architects and contractors seeking specification-ready, low-maintenance planting infrastructure.

Standard Dimensions

Length x Width x Height (mm)

- 2000 x 500 x 490
- 530 x 573 x 490
- 500 x 500 x 490
- 2000 x 700 x 450

HEBA PLANTER

SKU: 304.0356
