

MANCHESTER BOLLARD

SKU: 501.0304

CAST IRON BOLLARDS SPECIFICATION DATA

Description

The Manchester Polyurethane Bollard by BSFG combines classic styling with advanced material technology, featuring a durable polyurethane shell over a galvanised steel core for superior impact resistance and corrosion protection. Standing 1,000 mm tall with a 190 mm diameter, it's available root-fixed or removable, with optional reflective banding for enhanced visibility. Finished in black as standard, Manchester can be customised in any RAL colour to complement heritage or contemporary schemes.
