

SEBASTIAN SEATING

SKU: 301.0206

SEATS & BENCHES SPECIFICATION DATA

Description

The Sebastian Seat is a versatile timber bench designed to seat up to three people, ideal for public and private outdoor spaces like pubs, beer gardens, parks, and communal areas. Pressure-treated timber ensures durability and weather resistance, while a comfortable backrest and armrests facilitate easy sitting and standing. At 1,829 mm long, 555 mm deep, and 900 mm high, it's lightweight enough to be moved yet sturdy once installed. Supplied flat-packed for easy assembly and surface mounting, it blends practicality with long-lasting performance.
