

FONTIS FOUNTAIN

SKU: 307.1261

Description

The **Fontis Fountain** is a modern water feature and planter combination, designed to enrich public spaces with hydration and greenery. Featuring a steel frame with customizable panel infills in corten, stainless steel, or powder-coated finishes, it offers versatile aesthetics and durability. Complete with an integrated water basin and sub-surface installation option, Fontis is ideal for civic squares, plazas, campuses, and transport hubs seeking sophisticated functional design.
