

ELA CHAIR

SKU: 301.1108

Description

ELA brings a refined, sculptural presence to public realm seating, combining laser-cut floral motifs with either weathering Corten steel or a single-colour powder-coated steel finish. Offered as single or double modules with linear or angled backrest options, ELA enables intimate touchpoints or social clusters across plazas, campuses and streetscapes. Pre-drilled for anchor fixing, it installs quickly and delivers low-maintenance durability in all weather. Designed by Marc Aurel within the Color Corten Style collection by Metalco.

Standard Dimensions

Length x Width x Height (mm)

530 x 530 x 710
