## Description

The COMFORT Park Bench is a classic, Danish-designed urban bench created to provide generous seating comfort and long-lasting durability in public spaces. Its ergonomic profile, shaped slats and supportive backrest make it welcoming in parks, promenades, town squares and coastal settings. Built from hot-dip galvanised steel with FSC®-certified mahogany slats—oil-treated or untreated—it offers a smooth, refined front appearance thanks to concealed fixings. Available with or without armrests, COMFORT increases accessibility for elderly users and those needing assistive rising.
