

DRAWBELL PLANTER

SKU: 304.0349

Description

The Drawbell GRP planter combines a sleek, tapered profile with lightweight durability, making it ideal for modern streetscapes and interior landscaping. Manufactured from glass-reinforced plastic, it is frost-proof, corrosion-resistant and available in granite, stone-effect or any RAL colour with matt, satin or gloss finishes. Compact yet stylish, Drawbell offers a specification-ready solution for architects and contractors seeking versatile planting infrastructure.
