

HENNESSY CYCLE SHELTER

SKU: 107.0065

Description

The Hennessy Shelter is a robust and versatile outdoor structure designed to provide reliable weather protection for cycle parking and waiting areas. Its clean, modern design complements urban environments while offering practical functionality and durability. Manufactured from heavy-duty steel with a corrosion-resistant powder-coated finish and UV-stable polycarbonate roofing, it ensures long-lasting performance in all weather conditions. Ideal for architects, specifiers, and contractors seeking cost-effective and sustainable shelter solutions. It can be configured with optional end panels, swing out gates, lock and hasp, and Sheffield Toastracks.
