

PERIMETER BARRIER

SKU: 503.0415

Description

The Perimeter Barrier provides strong, reliable protection for site boundaries, pedestrian zones, and vehicle control areas. Manufactured from galvanised steel with a durable powder-coated finish, it combines robust performance with a clean, modern aesthetic. Available in multiple lengths and installation options, this barrier is ideal for securing car parks, forecourts, and public spaces. Technical datasheets and CAD files are ready for quick specification.
