CYCLE SHELTERS SPECIFICATION DATA

HARDY SHELTER

SKU: 107.0063

Description

The Hardy Shelter is a contemporary outdoor structure designed to provide reliable weather protection while enhancing the aesthetics of public spaces. Its sleek, modern design makes it ideal for cycle storage or covered waiting areas in schools, parks, and transport hubs. Manufactured from heavy-duty steel with a durable powder-coated finish and UV-stable PET roofing, it ensures long-lasting performance and corrosion resistance. Perfect for architects, specifiers, and contractors seeking stylish and practical shelter solutions.
