

TRANSPARENT TRAVERSE

SKU: 402.1447

Description

The BSFG Clear Traverse Wall system is a dynamic climbing and agility feature designed to enhance active play in schools, playgrounds and sports environments. Available in 2, 3 and 4 panel configurations, it offers flexible layouts to suit a wide range of spaces and user abilities. Engineered for safety, durability and engagement, it supports physical development, coordination and confidence. A specification-ready solution for architects and education projects seeking high-impact play value.
