SKU: 301.1299

## Description

The Anti-Vandal Picnic Table is a heavy-duty steel outdoor table engineered for high-risk public environments that demand exceptional durability and resilience. Manufactured by **BSFG**, it is hot-dip galvanised as standard for long-term corrosion resistance, with optional powder-coated RAL finishes available for project colour coordination. Its vandal-resistant design makes it a reliable alternative to traditional timber picnic sets in areas prone to damage or mis-use. A robust and secure solution for parks, schools, urban youth spaces and high-footfall public realms.
