

VERSIO LITTER BIN

SKU: 302.0292

Description

The **Versio Litter Bin (Versio corpus)** is a robust, modern outdoor waste bin engineered for high-traffic public spaces, manufactured from **10mm laser-cut steel** with a **50 L capacity**. It features a **removable stainless-steel inner bin** and a **DIN triangular locking device**, with the option to specify **with or without an ashtray**.

Beyond performance, Versio supports social value: it is designed by Studio Wehberg (Hamburg) and produced by **Westeifel Werke**, a non-profit organisation whose mission is “no one excluded” and which creates inclusive employment and participation in working and community life for people with disabilities.
